ABOUT THE ALLIED SERVICE TRAINING

Allied Health Services refer to support roles in the medical field professionals who assist doctors and nurses in delivering top quality care. This program prepares you to become a:

- Certified Nursing Assistant in Dubai
- Certified Caregiver
- Healthcare Support Professional

WHAT YOU WILL LEARN

- Patient rights and healthcare ethics
- Communication with patients & medical teams
- Emotional resilience & stress management
- Infection control and hygiene practices
- Abuse prevention and reporting procedures
- Personal care, mobility support & medication assistance
- Creating and following customized care plans

Ideal for beginners or healthcare professionals upskilling

WHY THIS PROGRAM?

- KHDA, ACA, and AMCA Certified
- Practical, Hands-On Learning Environment
- Affordable Fees & Flexible Payment Plans
- Industry-Experienced Medical Trainers
- Job Placement Assistance for UAE Healthcare Roles
- Weekday & Weekend Learning Options

CAREER OPPORTUNITIES

After this program, you can work in:

- Hospital Nursing Assistants
- Private Family Caregivers
- Home Healthcare Workers
- Elderly Care Professionals
- Clinic or Rehabilitation Support Staff

The demand for qualified allied health professionals in Dubai continues to grow.

BE MORE WITH ASPIRE
