

MASTER THE ART OF
WELDING

Build skills
Get Certified
Start Your Career

- **Hands-on Welding Training in Dubai**
- **KHDA Certified Program**
- **Industry-Ready Skills in 36 Hours**

ENROLL NOW

START WITH STRONG FUNDAMENTALS

Stop guessing.

Learn welding the right way from day one.

You'll understand:

- Welding origins & core principles
- Different welding types & applications
- Equipment handling & setup
- Essential safety practices

No shortcuts. Real foundation = real skill

MASTER REAL WELDING TECHNIQUES

This isn't theory-heavy fluff. You'll actually weld.

Hands-on training includes:

- Plate & Pipe Positions
(1G-4G, 1F-4F, 5G, 6G)
- Joint preparation & finishing
- Understanding metal behavior
- Working with real industrial materials

Guided by experienced welders

LEARN INDUSTRY DEMAND PROCESSES

Shielded Metal Arc Welding (SMAW)

Gas Metal Arc Welding (GMAW)

Gas Tungsten Arc Welding (GTAW)

WHY THIS PROGRAM?

Because most courses waste your time.

Here's what you actually get:

- 36 Hours Intensive Practical Training
- Real Welding Practice (not just demos)
- Industry-ready Skillset
- KHDA-Certified Qualification
- Guidance from Skilled Professionals

COURSES & DURATION

SMAW

3 Months

GMAW

1 Month

GTAW

2 Months

CAREER OPPORTUNITIES

After this program, you can work in:

- Industrial companies
- Construction sites
- Shipyards
- Oil & gas rigs
- Fabrication workshops
- Automotive & aerospace industries
- Pipeline & infrastructure projects

Welding is a global, high-demand skill. Use it.

BE MORE WITH ASPIRE

About Us:

We Aspire Education Support Service is one of the leading healthcare training centers in Dubai. Established in 2021, it specializes in caregiving and healthcare assistant training under the Allied Service Training for Personal Development program, approved by KHDA. The organization is dedicated to offering innovative healthcare education programs that adhere to international standards.
